Eclipse Android Studio VS VSCode Github |

2017. 2018

IES Isaac Newton, Madrid

Bachillerato and University entrance test

Verifiable B2 level of **English**.

Native language: Spanish.

Proactive and curious; strong team player with excellent communication skills. I am approachable, patient, open-minded, direct and empathetic.

Basic knowledge of Microsoft Office / Google's tools, and quick writing with physical/digital keyboard.

I'll be able on: May, 24th 2025.

Looking for: internship / **fct**, with the possibility of maintaining the job when the contract finishes, and a nice enterprise project.
