

Ejercicio banco

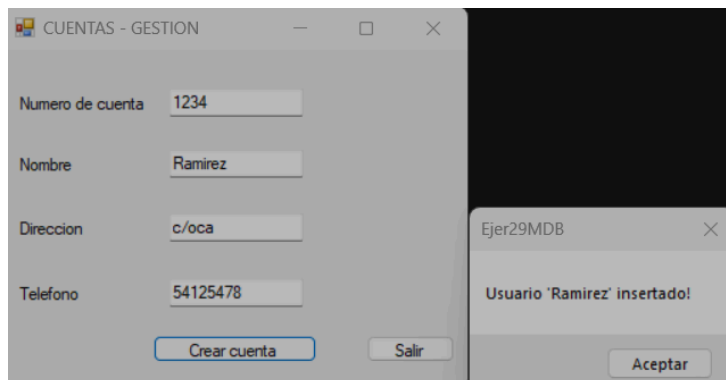

Inicia la aplicación en el menú principal.

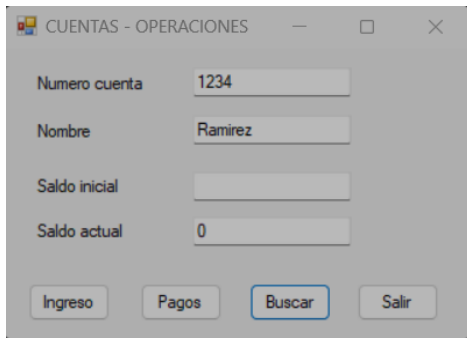

Si clicamos en cualquier botón superior, nos abrirá el otro formulario, abriendo la conexión:

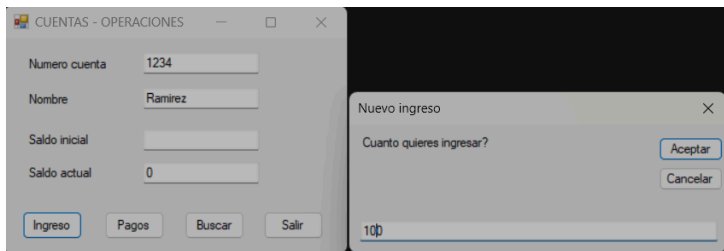

En cuentas - gestión nos deja insertar usuarios:

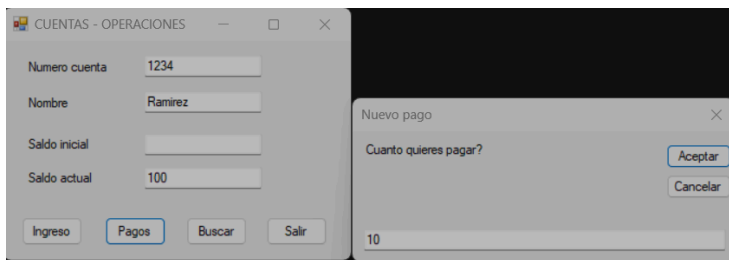

Y en cuentas - operaciones nos dejará buscarlo e insertar saldo:

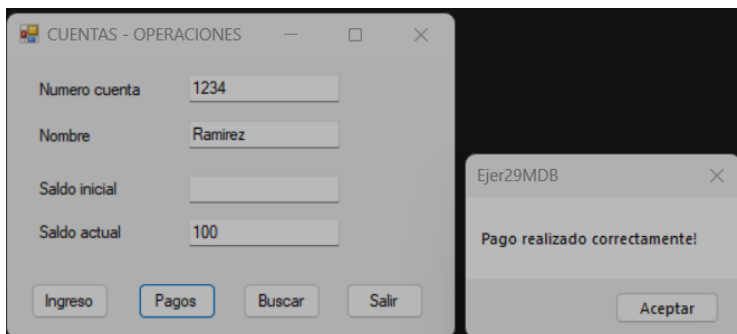

The screenshot shows a window titled "CUENTAS - OPERACIONES". It contains four input fields: "Numero cuenta" with the value "1234", "Nombre" with the value "Ramirez", "Saldo inicial" which is empty, and "Saldo actual" with the value "0". Below these fields are four buttons: "Ingreso", "Pagos", "Buscar" (which is highlighted with a blue border), and "Salir".

This screenshot shows the "CUENTAS - OPERACIONES" window with the "Ingreso" button highlighted. A modal dialog box titled "Nuevo ingreso" is open, asking "Cuanto quieres ingresar?". It has a text input field containing "100", and "Aceptar" and "Cancelar" buttons.

This screenshot shows the "CUENTAS - OPERACIONES" window with the "Pagos" button highlighted. A modal dialog box titled "Nuevo pago" is open, asking "Cuanto quieres pagar?". It has a text input field containing "10", and "Aceptar" and "Cancelar" buttons.

This screenshot shows the "CUENTAS - OPERACIONES" window with the "Pagos" button highlighted. A modal dialog box titled "Ejer29MDB" is open, displaying the message "Pago realizado correctamente!". It has an "Aceptar" button.

Los formularios están unidos por un módulo.
